Statutory Exhibit In Our Windows. It is Wonderful. ONLY ONE COHENSTORE

Our opening last week was only a tentative showing of what you have a right

to expect from a store like this. But it is only the beginning. New beauties will

unfold each week, showing as much greater improvement as last week was over

the preceding. Our New York buyers are still sending in the cream of the world's

best markets. A shopping tour will prove the goods in quantity, quality and price. Here are a Few Helps for Monday's Sale.

Prices, combined with enormous stocks, are the drawing cards.

The Store's Success has only come as a result of the lowest prices.

The Cohen Aim is the highest grade of merchandise.

The Silk Statement Without Limit

The list here is one in five of those on sale at underprices. This Silk Store runs business upon a basis of thorough knowledge of worth and wear. The prices for Monday's sale show clearly where to buy your Silks.
